**Location:** All Calgary-based trainings take place at the University of Calgary.

**Fee:** Clinical training courses are offered for a fee of $700 (including GST) per trainee, per course. Reliability training courses are offered for a fee of $2900 (including GST) per trainee per course. Trainees will be provided with a training package for each course that contains all required materials (including protocols).

**Payment and Refund Policy:** Payments are made after your application and been received, processed, and approved. We accept Interac money transfer or Credit Card (note, credit card payments will be subject to an additional transaction fee of 3.4%). A course refund minus a $50 administrative fee will be sent to those who cancel at least 14 days prior to the course start date.

Requirements: It is recommended that you bring an ADOS-2/ADI-R manual to the training. An ADOS-2 kit will be provided for use during the training. Individuals interested in Reliability Training must have completed a clinical training course delivered by a Certified Trainer prior to attending the reliability training.
