

Graduate Programs in Education Program Recommended Awards (PRA) Procedure and Application Form

Applications for Werklund School-specific graduate awards ([Program Recommended Awards](#)) are adjudicated based on general academic excellence (i.e., GPA) and the degree to which applicants meet eligibility criteria specified by donors of each PRA (i.e., completion of this form). Careful completion of this Form, therefore, is critical.

IMPORTANT! Before completing this form ensure that you meet the Faculty of Graduate Studies policies regarding awards.

You must meet the award criteria when the award is paid, not at the time of submitting this application. Program Recommended Awards are paid starting in the Fall Session (i.e., September onward).

APPLICATION INFORMATION:

- A complete application consists of your current program transcript and completion of this form.
 - No reference letters are needed unless specified by the terms of reference.
 - You may apply for more than one PRA, but **you must complete a separate form for each award**. Only one program transcript is required for your package.
