Athabasca University – Transferable Courses

Last Updated: September 2022

The below acts as a ‘starter’ list of course ideas to fulfill the 6 Foundational and/or 5 Elective course requirements mandatory for all Four-Year students, as well as some Teachable Subject Area courses. Students are responsible for reviewing the offering institution’s course catalogue for changes and updates. If you are interested in a course not on this list, it is strongly recommended to check in with a Student Advisor well in advance of the Letter of Permission (LoP) deadline regarding transferability and applicability to program requirements.

Students should also ensure to check:
- course availability
- credit weighting
- asynchronous/synchronous and paced or self-paced learning
- course level and coding
- pre-requisites, and other restrictions during their searches
- that course transfers are unique, and not duplicated*

Course selections should be sent to upe@ucalgary.ca ideally a couple of weeks prior to Letter of Permission (LoP) deadlines, and enrolment must be held off until the LoP is formally approved. Transfer credit agreements are subject to change without notice and should be confirmed by an advisor. The University of Calgary cannot be, and is not, responsible for the fees paid on any course taken at other institutions.

*Please note: the Bachelor of Education does not allow course re-use. Students are responsible for confirming that their transfer credit is not duplicated, including from multiple institutions. I.e., You cannot use ENGL 211 toward both your Foundational requirement, and an Elective course: it will only fulfill one or the other.

Foundational Courses (one from each area):
