COURSE DESCRIPTION:

The intent of the Specialization Seminar II is to deepen your understanding of the practical aspects of teaching within the specialization and to connect this practice with specific theoretical concepts. While this second specialization course focuses more on practical knowledge, you will also refine your knowledge of discourse and theory within the discipline and develop a deeper understanding of ways to enact this theory in a classroom context. You will additionally become familiar with any relevant Ministry documents associated with the Alberta Curriculum and draw on practical classroom observation from the field experience to participate in meaningful discussion and to connect these observations with a vision for your own teaching. The emphasis of the course is on designing for student learning (subject-specific; assessment to strengthen student learning and improve instruction; and designing for inclusion, differentiation, and inquiry).

LEARNER OUTCOMES:

Over the course of the semester, students will:

1) Further develop a deeper conceptual understanding of the historical, socio-cultural, political contexts of the discipline of Elementary and Secondary Fine Arts Education, and relate this to curriculum planning in the specialization area;

2) Identify and critique the key learning perspectives (as outlined in the front matter of the Programs of Study) and intentions (learning objectives) across the units in a grade from the Alberta Programs of Studies;

3) Successfully apply theoretical knowledge to the design of a longer-term unit and assessment plan.
COURSE DESIGN AND DELIVERY:
This course will be delivered face-to-face on campus with possible engagement in a D2L environment.

### Learning Tasks and Assessment

There are 3 required Learning Tasks for this course.

1. **Learning Task 1:** Program of Studies Presentation 30% – DUE: September 27 (in class)
   
   As a fine arts specialist, it is essential that you are an expert with the Program of Studies (POS) for your discipline. In this group-based task, you will work with 2 or 3 other students in your discipline to create an...
educational live presentation or pre-recorded video for parents explaining the program of studies for one grade level.

Your presentation will include information about:
- The subject and grade;
- How the POS is organized;
- The kinds of activities students will engage in, and how they connect to the POS.

Your presentation format:
- Be 6-8 minutes in length
- Incorporate multimedia to engage parents through digital technology: visuals, graphics, animation, acting, music, etc.

Think of this as a chance to connect with parents about their child's school experience (this would be a great presentation for meet-the-teacher nights!).

Be enthusiastic, friendly, creative, responsive, and convince us that you really know your POS inside and out.

**Criteria for Assessment of Learning Task 1**

Group presentations will be assessed on the following criteria:

- Demonstrated knowledge of POS structure and content.
- Demonstrated knowledge of how to connect learning activities to POS.
- Engaging presentation through effective multimedia techniques.
- Professionalism of content and presentation with respect to the intended audience.

More details on these criteria will be provided in class.

2. **Learning Task 2: Unit Plan 40%—Due: October 25 (via email)**

For this assignment, students will work individually to design 5 – 45-minute lesson plans, specific to your area of specialization, as a unit. These lessons should illustrate the enactment of concepts and strategies introduced in this course and others. Each lesson will clearly articulate a learner statement of what the learners will be able to know or do if the lesson is effective.

**Note:** It is important that you acknowledge that projects in the arts require class time for student work; however, studio time should not be a full lesson plan. If class time is required between lessons to complete work, simply indicate this at the end of the lesson plan (i.e., “Requires 2 classes of additional studio time to complete”).

**Format:** Cover page; 5 lesson plans; Assessment plan; References; Appendices (optional, not assessed).
Your individual unit plan should include the following format:

- **Cover Page**: Unit title, Your Name (first/last), Specialization, Target Grade Level (POS), Course Name, Date Submitted.

- **Five Lesson Plans**: Five Lesson Plans (use template provided- Times New Roman 12, single spaced), includes: Learner Statement; POS Outcome(s); Time-based sections of student and teacher activities (Introduction – Main/Body – Reflection/Close); **Materials/Resources**; Assessment (formative and summative); and accommodations, as needed (based on student profiles to be shared).

- **Assessment Plan**: Describe your plan for formative feedback within the five lessons and provide the grading criteria and evaluation rubric for summative feedback based on learner outcomes (critical), including student accommodation.

- **References**: List relevant sources consulted in preparation, cited within the plans, or resources to be used while teaching.

**Criteria for Assessment of Learning Task 2**

Individual unit plans will be assessed on the following criteria:

- Overall Plan and Presentation: You design learning that builds and deepens student understanding through a logical, engaging, unified plan, with the assigned format, relevant tasks, and assessment.
- Lesson Plans: You design authentic, inclusive, and engaging lessons informed by disciplinary knowledge and POS, with activities that are meaningful and relevant to students and the discipline.
- Assessment Plan: You design assessment that provides a comprehensive and holistic picture of all students’ learning and competencies (including 3 different ways to differentiate learning).

More details on these criteria will be provided in class.

As future fine arts teachers, reflection is a crucial tool for responding to classroom management, refining units/lessons/assessments, creating meaningful opportunities for inclusion, and envisioning our most authentic expression as an educator.

The purpose of this final project is to explore and reflect on the emotions and experiences of becoming a teacher, including the creation of a personal vision for your own teaching practice, utilizing:

- photographs, images, sketches, and written reflections;
- references from class readings, discourse, and experiences;
- practical classroom observation from field experience.

Your individual assignment should include the following:

- **Cover Page**: Creative title, Your Name (first/last), Specialization, Course Name, Date Submitted.

- **Five to Ten Pages of Reflection**: We will have time to add to this at regular intervals throughout the course. Please include:

- Photographs, images, sketches, and written reflections;
- References from class readings, discourse, and experiences;
- Practical classroom observation from field experience.

References: List relevant sources consulted in preparation, cited within the reflection, or resources to be used while teaching.

CRITERIA FOR ASSESSMENT OF LEARNING TASK 3

Individual assignments will be assessed on the following criteria:

- **Design and Layout:** Layout is attractive, easy to read, and includes all elements of the assigned format. Title, font, quotes, images, and other design elements are captivating, relevant, and a reflection of the overall theme.
- **Narrative:** Reflection is meaningful, flowing, and compelling, exhibiting a deep level of metacognition. Images and words are cohesive, illustrating the journey towards your personal vision for your own teaching practice.

More details on these criteria will be provided in class.

THE EXPECTATION OF EXCELLENCE IN PROFESSIONAL WORK

Please review the Academic Calendar carefully. It describes the program and provides detailed schedules and important dates. It contains information on expectations for student work and professional conduct. In addition, procedures are described regarding concern about student performance in the program. Please pay especially careful attention to details and descriptions in the following topic areas:

- **The Importance of Attendance and Participation in Every Class**
  As this is a professional program, experiences are designed with the expectation that all members will be fully involved in all classes and in all coursework experiences. As you are a member of a learning community your contribution is vital and highly valued, just as it will be when you take on the professional responsibilities of being a teacher. We expect you will not be absent from class, except for documented instances of personal or family illness, or for religious requirements.

- **Engagement in Class Discussion and Inquiry**
  Another reason for the importance of attendance and participation in every class is that the course involves working with fellow students to share ideas and thoughts. For example, in each class you will work with a small group to engage fellow students in discussions on work being considered in class. You will also help other groups by providing ideas for scholarly inquiry in assignments. If you find that you are experiencing difficulties as a group collaborating, please inform the instructor.

EXPECTATIONS FOR WRITING

All written assignments (including, to a lesser extent, written exam responses) will be assessed at least partly on writing skills. Writing skills include not only surface correctness (grammar, punctuation, sentence structure, etc.) but also general clarity and organization. Sources used in research papers must be properly documented. If you need help with your writing, you may use the writing support services in the Learning Commons. For further information, please refer to the official online University of Calgary Calendar, Academic Regulations, E.
Course Information, E.2: Writing Across the Curriculum: http://www.ucalgary.ca/pubs/calendar/current/e-2.html

**LATE SUBMISSIONS**

Late assignment submissions must be discussed with the instructor **before the due date**. Students may be required to provide written documentation of extenuating circumstances (e.g., statutory declaration, doctor’s note, note from the University of Calgary Wellness Centre, obituary notice). A deferral of up to 30 days may be granted at the discretion of the Associate Dean of Undergraduate Programs prior to the end of the course with accompanying written evidence.

**ISSUES WITH GROUP TASKS**

With respect to group work, if your group is having difficulty collaborating effectively, please contact the instructor immediately. If a group is unable to collaborate effectively or discuss course materials in a timely manner, the instructor may re-assign members to different groups or assign individual work for completion.

Students in the B.Ed. program must have an overall GPA of 2.5 in the semester to continue in the program without repeating courses.

**Academic Accommodation**

It is the student’s responsibility to request academic accommodations according to the University policies and procedures listed below. The student accommodation policy can be found at: [https://www.ucalgary.ca/legal-services/sites/default/files/teams/1/Policies-Student-Accommodation-Policy.pdf](https://www.ucalgary.ca/legal-services/sites/default/files/teams/1/Policies-Student-Accommodation-Policy.pdf). Students needing an accommodation because of a disability or medical condition should communicate this need to Student Accessibility Services in accordance with the Procedure for Accommodations for Students with Disabilities: [ucalgary.ca/legal-services/sites/default/files/teams/1/Policies-Accommodation-for-Students-with-Disabilities-Procedure.pdf](ucalgary.ca/legal-services/sites/default/files/teams/1/Policies-Accommodation-for-Students-with-Disabilities-Procedure.pdf). Students needing an accommodation in relation to their coursework based on a Protected Ground other than Disability, should communicate this need, preferably in writing, to their instructor.

**Academic Misconduct**

For information on academic misconduct and its consequences, please see the University of Calgary Calendar at [http://www.ucalgary.ca/pubs/calendar/current/k.html](http://www.ucalgary.ca/pubs/calendar/current/k.html)

**Attendance/ Prolonged Absence**
Students may be asked to provide supporting documentation for an exemption/special request. This may include, but is not limited to, a prolonged absence from a course where participation is required, a missed course assessment, a deferred examination, or an appeal. Students are encouraged to submit documentation that will support their situation. Supporting documentation may be dependent on the reason noted in their personal statement/explanation provided to explain their situation. This could be medical certificate/documentation, references, police reports, invitation letter, third party letter of support or a statutory declaration etc. The decision to provide supporting documentation that best suits the situation is at the discretion of the student.

Falsification of any supporting documentation will be taken very seriously and may result in disciplinary action through the Academic Discipline regulations or the Student Non-Academic Misconduct policy.
