WERKLUND SCHOOL OF EDUCATION

Continuing Student Registration – 4 Year Bachelor of Education

Presented by UPE

March 2023

I would like to acknowledge the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy (comprising the Siksika, Piikani, and Kainai First Nations), as well as the Tsuut'ina First Nation, and the Stoney Nakoda (including the Chiniki, Bearspaw, and Wesley First Nations). The City of Calgary is also home to Métis Nation of Alberta, Region 3.

Agenda:

- 1) About the 4YR Bachelor of Education
- 2) Program Structure
- 3) Registration:
 - What? Where? When? How?
 - Student Centre (my.ucalgary.ca)
 - Schedule Builder and Search for Classes
- 4) Enhance Your Experience
- 5) Questions

Let's start with a poll: What year of your program are you currently in?

About the Four-Year Bachelor of Education (BEd)

- An undergraduate, professional degree, designed to meet K-12 teacher certification requirements in Alberta
 - Our BEd is designed to equip you with the skills to teach any area in K-12, with added depth into one area of specialization (your teachable subject area!)
- Program consists of 120 units:
 - **6** foundational courses in a breadth of areas
 - **5** elective courses from any area
 - **8** teachable subject area courses specific to your specialization
 - **20** EDUC major courses (EDUC 201 and EDUC 400/500)

The Four-Year BEd Program page in the [online Calendar](#) has information on course details, including accepted courses for foundational requirements.

Creating Your Program Structure

- Step 1 – Understand your program requirements and structure through the [UPE website](#) and [Calendar](#)
- Step 2 – Prepare for registration by finding your [course registration date/time](#) and set yourself a reminder
- Step 3 – Familiarize yourself with “Search for Classes” and “[Schedule Builder](#)”
- Step 4 – Use [Registration Guide](#) to help choosing the appropriate EDUC major courses

Visit the Office of the Registrar’s [Registration page](#) for hints, tips, and updated information on Fall 2023 course delivery

What Your Program Looks Like

Suggested program sequence

Please Note: You must successfully complete EDUC 201 before taking your 400-level EDUC courses. Additionally, the 400-level and 500-level courses are taken as distinct semesters - you cannot take any non-Education courses during your Education terms, nor can you 'mix and match' with other EDUC classes. If you have incorrectly registered in your 400-level or 500-level EDUC courses, you will be removed, and asked to correct your registration.

Academic Requirements

Tool to see program requirements and progress in degree

The screenshot displays the University of Calgary's academic requirements tool. On the left is a vertical navigation menu with icons and labels: Home (house icon), My Application (classroom icon), Personal Info (person icon), Exams and Grades (A+ award icon), **Program and Advising Info** (two people icon, highlighted in red), and My Financials (dollar sign icon). The main content area is titled "My Current Program Information" and shows "Academic Load: Full-Time". Below this, a box lists the program details: "Education Bachelor", "Year of Program: 2", "Bachelor of Education - Four-Year (Degree Stream)", "Secondary Education -Mathematics (Major)", and "Mathematics (Concentration)". A central menu lists various options: "Academic Requirements" (highlighted in red), "Awards", "Change of Program", "Confirmation of Registration", "GPA Calculator", "Thesis Guidelines", "What-If Advisement Report", and "Letter of Permission". To the right of this menu are three buttons: "Course Search", "Apply for Graduation", and "Convocation Status". At the bottom, an "Advising Help" section lists various faculties and schools, including the Faculty of Science, Faculty of Social Work, Faculty of Arts, Faculty of Graduate Studies, Faculty of Kinesiology, Faculty of Law, Faculty of Nursing, Faculty of Science, Faculty of Social Work, Faculty of Veterinary Medicine, Haskayne School of Business, Schulich School of Engineering, Student Success Center, and Werklund School of Education. Two red arrows indicate the navigation steps: one points from the "Program and Advising Info" menu item to the "Academic Requirements" link, and another points from the "Academic Requirements" link to the "Academic Requirements" text in the main content area.

Registration Tips & Reminders

A scenic campus view featuring a large, abstract red sculpture made of thick metal pipes in the center. The sculpture has a triangular, lattice-like structure. In the foreground, a paved path curves through a green lawn. Two students are walking on the path: one in the foreground with a bright green backpack, and another further ahead. The background is filled with tall evergreen trees and deciduous trees with vibrant yellow autumn foliage. A black lamppost stands on the left side of the path. The sky is clear and blue.

Enrolment Start Time

The screenshot displays the Student Centre interface. At the top, there are two tabs: 'To Do (0)' and 'Notices (0)'. Below these, a card titled 'Your Enrolment Start Time' contains the text: 'You may begin enrolling for the Fall 2023/Winter 2024 Regular Academic session on 2023 March 30 10:00AM.' A red 'Details' link is positioned at the bottom right of this card. Below the card, a navigation bar shows five tabs: 'Winter 2023' (selected), 'Spring 2023', 'Summer 2023', 'Fall 2023', and 'Winter 2024'. Under the 'Winter 2023' tab, the text 'Shopping Cart (Potential / Pending Courses) - Winter 2023' is displayed. To the right of this text are two buttons: 'Course Search' and 'Schedule Builder'. Below these buttons, a message states: 'Your Shopping Cart is empty. Please use Schedule Builder or Course Search to add classes.' At the bottom of the interface, the text 'Enrolled Courses - Winter 2023' is visible.

EDUC Registration Guide

Undergraduate Program in Education page - “Current Students”

[werklund.ucalgary.ca/undergraduate-programs/
current-students/registration-guides](http://werklund.ucalgary.ca/undergraduate-programs/current-students/registration-guides)

- Helps you choose the correct course and section for your route and teachable subject area
- Contains any course updates, alternative dates and deadlines for EDUC courses, and alternative Summer/online offerings for on-campus students

What to Expect: Field Experience

- Being prepared for Field Experience:
 - Review Field Experience webpage: <https://werklund.ucalgary.ca/undergraduate-programs/field-experience-0>
 - When you are in Field Experience, you are at the school full-time.
 - Our Field Team will find you a field placement!
 - Watch for an email from our Field Team (typically late June) with instructions on getting your Police Check, which will be required for each year you have Field and must be dated after July 1st!
 - EDUC 400 Field Experiences:
 - Field 1 is primarily observational, a cohort experience, not related to your teachable subject area (one exception: French and Second Languages teachables). Have a flexible mindset.
 - Field 2 is your opportunity to start doing some of the teaching! Field team will ask you to fill out a Placement Information Form, which allows you to share additional information with our field team that they consider when placing you!
- Keep all of your narrative assessments (in multiple places)

A scenic view of a university campus. In the foreground, a student with a green backpack walks away from the camera on a paved path. Another student is walking towards the camera further ahead. A large, abstract red sculpture made of thick metal tubes stands prominently in the middle ground. The background is filled with lush green grass, tall evergreen trees, and deciduous trees with bright yellow autumn foliage. A semi-transparent red banner is overlaid on the upper left portion of the image, containing the text "Enhance your Experience" in white. The sky is clear and blue.

Enhance your Experience

Student Opportunities

Optional ways to enhance your experience at Werklund:

Service Learning

- curated and coordinated volunteer opportunities

Professional Learning

- build on academic learning from the program

Land-Based Opportunities

- focus on Indigenous ways of knowing and connecting to the land

Teaching Across Borders

- volunteer teach and experience a new culture

Mentorship

- Peer-to-Peer and Professional-to-Preservice

K-12 Tutoring Program

Experiential Learning

Important Dates:

Programming is available throughout the Fall and Winter semesters.
Registration/application usually happens in:

- early September for Fall placements
- early December for Winter placements
- early Spring for end of Summer placements (primarily for those going into their EDUC 500s)

Dates vary so keep an eye out for emails and on our website!
