# LEARNING TASKS OVERVIEW:

LEARNING TASK (LT)	DESCRIPTION OF LEARNING TASK	GROUP / INDIVIDUAL	WEIGHT	DUE DATE
Learning Task 1 (LT1)	Response Journal Submission (2 checkpoints)  Knowing the discipline as scholars	Individual	30%	Feb 6 Mar 6

Learning Task 2 (LT2)	Collective Creation Presentation Knowing the discipline as artists	Group	30%	Mar 6
Learning Task 3 (LT3)	Lesson Plan & Rubric Knowing the discipline as teachers	Individual	40%	Mar 13

#### LEARNING TASKS AND ASSESSMENT

There are 3 required Learning Tasks for this course.

### 1. LEARNING TASK 1: Response Journal DUE: February 6 and March 6

Knowing the discipline as scholars

The purpose of this assignment is for you to use critical reflection and documentation as tools for learning, sense-making, and meta-cognition by recording your inner thoughts and reactions, noting promising practices, engaging in a variety of thought routines, and responding to prompts and provocations across the course. Your Response Journal also serves as a commonplace record for future reference of how you learned in, about, and through the arts. Specific details regarding quality, quantity and other expectations will be discussed in class. All response entries are required to receive an A to A+ (in addition to meeting the other requisite criteria).

#### CRITERIA FOR ASSESSMENT OF LEARNING TASK 1

Journal entries for all dates are complete and demonstrate authentic engagement \_\_\_\_/15

#### 2. LEARNING TASK 2: Collective Creation - Due: March 6

Knowing the discipline as artists

The purpose of this assignment is for you to collaborate with colleagues on an arts-based research project where you ponder an inquiry question together and represent your collective answer through the arts. Working with an assigned group, you will explore the topic of inquiry through a series of in-class activities. Your process will include discussion, exploration, revelation of self-knowledge; generation of shared knowledge; and creative expression to result in a work that engages an audience (your classmates).

- Once you know what you want to say, you will collaborate on a collective creation that you will perform to represent your shared perspectives. Each group will have approximately 8-10 minutes (contingent on class size) to present their work of art/performance as part of our scheduled class.
- Please get instructor approval on your concept and artwork ideas before proceeding with making. In
  order to avoid the costs of art supplies, you are encouraged to use recycled and found materials for
  media (or discuss possibilities of supplies with the instructor).
- Please note that although there is some dedicated class time in the schedule for group work, additional time will likely be required outside of class.

#### CRITERIA FOR ASSESSMENT OF LEARNING TASK 2

The criteria for assessment includes:

**Group Score: 60%** 

• Makes Learning Visible: Presentation clearly uses the arts (visual, music, and drama or dance) to represent personal and shared perspectives in response to the topic of inquiry 30%

# WERKLUND SCHOOL OF EDUCATION UNDERGRADUATE PROGRAMS IN EDUCATION

- **Artistic**: Presentation is creative and engaging, incorporating aesthetic qualities and effective use of artistic elements and principles to represent and communicate ideas 20%.
- **Professional:** Presentation is well-planned, well-rehearsed, well-timed, and well-executed 10% **Individual Score:** 40%
  - Fully Engaged: Peer score by group members represents individual contribution and engagement in all group process (from knowledge exploration to artwork creation and presentation (score out of 12) 40%

Detailed instructions and assessment rubric will be discussed in class then posted on D2L. The instructor reserves the right to adjust peer scores in cases when it is deemed appropriate. Major discrepancies in scores may require a team meeting.

#### 3. LEARNING TASK 3: Lesson Plan & Rubric - Due: March 13

Knowing the discipline as teachers

The purpose of this assignment is for you to reflect on and engage in learning design that identifies teacher strategies and student activities (including appropriate differentiation) in a way that creates conditions for acquisition and assessment of learning outcomes for a specific grade's program of study in your area of specialization.

Specific topic and requisite planning templates will be discussed in class then posted on D2L.

#### CRITERIA FOR ASSESSMENT OF LEARNING TASK 3

The criteria for assessment includes:

- Identifies 3 appropriate learner outcomes from POS and summarizes them in terms of what *students will be able to* do as a result of the planned activities; 10%
- Plans and adequately describes appropriate teacher strategies and student activities that clearly connect to each learner outcome; 30%
- Rubric specifically includes ways to assess acquisition of all 3 POS learner outcomes; 30%
- Overall plan is logical, cohesive, professional and adheres to format requirements including accommodations for three student profiles: ELL, ADHD, and Gifted / Neurodiverse 30%
  - Suggested accommodations require getting to know the student profiles (provided in class) and must be supported by *Making A Difference* (Alberta Education, 2010, Chapters 8, 9, 10), including page numbers.

#### THE EXPECTATION OF EXCELLENCE IN PROFESSIONAL WORK

Please review the Academic Calendar carefully. It describes the program and provides detailed schedules and important dates. It contains information on expectations for student work and professional conduct. In addition, procedures are described regarding concern about student performance in the program. Please pay especially careful attention to details and descriptions in the following topic areas:

• The Importance of Attendance and Participation in Every Class

As this is a professional program, experiences are designed with the expectation that all members will be fully involved in all classes and in all coursework experiences. As you are a member of a learning community your contribution is vital and highly valued, just as it will be when you take on the professional responsibilities of being a teacher. We expect that you will not be absent from class with the exception of documented instances of personal or family illness or for religious requirements.

# • Engagement in Class Discussion and Inquiry

Another reason for the importance of attendance and participation in every class is that the course involves working with fellow students to share ideas and thinking. For example, each class you will work with a small group to engage fellow students in discussions on work being considered in class. You will also help other groups by providing ideas for scholarly inquiry in assignments. If you find that you are experiencing difficulties as a group collaborating, please inform the instructor.

#### EXPECTATIONS FOR WRITING AND ARTWORK

All written assignments (including, to a lesser extent, written exam responses) will be assessed at least partly on writing skills. Writing skills include not only surface correctness (grammar, punctuation, sentence structure, etc.) but also general clarity and organization. Sources used in research papers must be properly documented. If you need help with your writing, you may use the writing support services in the Learning Commons. For further information, please refer to the official online University of Calgary Calendar, Academic Regulations, E. Course Information, E.2: Writing Across the Curriculum: <a href="https://calendar.ucalgary.ca/pages/2c2d1ce47b8c4d008aec9cc3da49876e">https://calendar.ucalgary.ca/pages/2c2d1ce47b8c4d008aec9cc3da49876e</a>

Please note that all assignments are expected to be the original work of the student and students may only use generative AI (GAI) tools for word processing functions, such as grammar and spell checking (e.g. Grammarly, CoPilot). It is not required to document the use of the above GAI for the purposes described. If you have questions about a specific use of other GAI tools, please contact your instructor.

#### MISSING OR LATE SUBMISSIONS

All late submissions of assignments must be discussed with the instructor **prior to the due date**. Assignments submitted after the due date without prior approval may be docked 10% per day late. Students may be required to provide written documentation of extenuating circumstances (e.g. statutory declaration, doctor's note, note from the University of Calgary Wellness Centre, obituary notice). A deferral of up to 30 days may be granted at the discretion of the Associate Dean of Undergraduate Programs with accompanying written evidence.

#### **ISSUES WITH GROUP TASKS**

With respect to group work, if your group is having difficulty collaborating effectively, please contact the instructor immediately. If a group is unable to collaborate effectively or discuss course materials online in a timely manner, the instructor may re-assign members to different groups or assign individual work for completion.
