

Northern Lakes College – Transferable Courses

Last Updated: Dec 2021

The below acts as a 'starter' list of course ideas to fulfill the 6 Foundational, 5 Elective course requirements, and some of the teachable courses mandatory of all Teachable Subject Areas in our 4-year program. This list does not fully reflect all of Northern Lakes course offerings, and may quickly become out-of-date as this institution updates or offers new courses. Students are thus encouraged to use the below list to start their course selection, but are encouraged to take a look at Northern Lakes' full catalogue. If you are interested in a course not on this list, it is strongly recommended to check well in advance of the Letter of Permission (LoP) deadline with an advisor regarding its transferability and confirm if it would fulfill the requirement you are hoping it to, as courses without past transfer review can take significantly longer to be assessed.

Students should also ensure to check:

- course availability
- credit weighting
- asynchronous/synchronous and paced or self-paced learning
- course level and coding
- pre-requisites, and other restrictions during their searches.

Course selections should be cleared with an advisor ideally a couple of weeks prior to Letter of Permission (LoP) deadlines, and enrolment must be held off until your LoP is formally approved. Transfer credit agreements can change, so it is strongly recommended to check with an advisor in the Undergraduate Programs in Education office, via upe@ucalgary.ca, prior to submission. The University of Calgary cannot be, and is not, responsible for the fees paid on any course taken at other institutions.

Please note: the BEd program does not allow course re-use, i.e., you cannot use PSYC 2010 toward both your Psychology and Health & Wellness Foundational requirements - it will only fulfill one or the other.

*Additionally, students cannot be awarded transfer credit towards the same equivalent course at UCalgary (see starred courses) – please note that only one of these can be awarded credit.

Foundationals (one from each area):

English or French Literature Foundational		
Course Code	Course Title	UCalgary Equivalent
ENGL 1000	Introduction to English Language and Literature	ENGL 203
ENGL 1011	Critical Reading and Writing - Prose Forms	ENGL 253.03

ENGL 2080	Survey of Literature for Younger Children	English (Sr)	ENGL 396
ENGL 2090	Short Fiction	English (Sr)	ENGL 3XX
Note: if you need further courses in English, in addition to these offerings, please contact upe@ucalgary.ca to discuss options			

Other Teachable Subject Areas: If you are interested in another Teachable Subject Area, please meet with your Northern Lakes College advisors to discuss eligibility for the transfer cohort. Ordinarily, students interested in other areas may only be able to complete their Foundational or Elective course requirements through Northern Lakes; with the majority of teachable courses to be completed via other institutions.

Some elective suggestions (5 courses, freely chosen):

Elective Suggestions		
Course Code	Course Title	UofC Equivalent

*Any of the above courses not already used towards Foundational or Teachable requirements, or:		
COMM 1000	Interpersonal Communications for the Helping Professions	COMS 2XX
EDUC 1000	Contexts of Education	EDOP 2XX
COMP 2100	Introduction to Educational Computer Applications	EDOP 2XX
EDPY 2302	Learning and Development in Childhood	EDOP 2XX

ADDITIONAL NOTES:

2-Year Pathway: If you have completed all other non-Education courses, and have taken EDUC 1000, you may be allowed to use Northern Lake's EDUC 1000 in lieu of the University of Calgary's EDUC 201. This must be approved by the Associate Dean and an advisor, and will only be approved:

1. On a case-by-case basis, and;
2. If all other non-Education course requirements are met.

This ruling will be determined upon admission. If this applies to you, please reach out to the Advising Team at upe@ucalgary.ca for next steps if admitted to the program.
