## A Word from the Associate Dean

Welcome Students!

It is wonderful to be able to welcome you to the Werklund School of Education. I think it is fair to say, we have been living through some unprecedented times, and while it may not be business as usual just yet, I remain hopeful that this year will allow us to move forward in new and exciting ways. We aspire to honour all of those pieces of the Bachelor of Education program that we enjoyed pre-COVID while also learning from the past 18 months, and keeping some of the innovations that were required in the moment.

As always, I encourage you to approach your studies with hope and excitement. Be curious and confident. Be the teacher now that you wish to be in the future and approach every learning opportunity in the way you hope your students will approach the learning opportunities you present to them. Here is to a wonderful year ahead, and I wish you all the best!

*-Dr. Amy Burns, Associate Dean*

## UPE's Summer Adventures

Curious about what the office got up to this summer? Leanne, Will, Caitlin, and Angie (some of the team from the UPE office) share moments that made this unusual summer a memorable one.

Leanne Barham: "One of my favourite hobbies is playing board games with friends & family. My current favourites include Castles of Burgundy, Terraforming Mars, and Brass Birmingham (shown)."

William Dobie: "During the summer I was able to bike along the close Highway 1A to Johnston Canyon with a friend. The mountains were beautiful - we had a fantastic time."

## Send us your Selfie!

Attending your academic advising session on a kayak? Zooming into class in a Spiderman costume? Send us your pics from the most unusual place you've attended class or advising session, or highlights from your class Zooms over the past year. **The best 3 submissions will win a Tim Horton's gift card**, and be shared in our next Werklund Wire edition published in November!

Submit your photos in .jpeg format to [upe@ucalgary.ca](mailto:upe@ucalgary.ca) by **October 15<sup>th</sup>**, including a short caption for the photo and a sentence confirming that you consent to having your selfie and caption published on our Werklund Wire newsletter, which is published on our website and in our Student Resources D2L site.

Caitlin Kane: "This summer, I got to spend some time out in BC with my family, and we took our two year old to the Enchanted Forest out by Revelstoke. It was wonderful to just hang out in the trees with some fairy tale characters!"

Angie Crowley: "It was great to get out this summer and experience the 'Art in Nature Trail' that follows the banks of the Bow River in Banff. Grades 1-3 students from one of our Partner Schools, Banff Elementary, displayed their creativity along this trail - so awesome!"

## Ed Students in Conversation Podcast

*From Astrid Kendrick, Director of Field Experience (Community-based)*

Two UCalgary BEd students, Carolyn and Melanie, interview the brilliant Wab Kinew to discuss his new book, *Go Show the World*, and approaches to writing.
