Referees

Please note that not all programs require references.

Provide the names and contact information for referees who will submit reference reports on your academic ability and qualifications. Please submit **business or institutional e-mail addresses** for all of your referees.

An appropriate letter of recommendation is one written by an independent individual who can provide an assessment of your background and capabilities with respect to the prospective program. Letters from friends, family members, colleagues, people currently registered in a graduate degree program, or general reference letters that are not written in support of your application to the particular graduate program **are not acceptable**. If you are currently registered in a graduate degree program at the University of Calgary, or if you have recently completed a graduate degree program, one letter of reference should come from your program supervisor. Unless you have been out of school for more than four years, at least one letter, and preferably all, should be by an academic. A reference from a non-academic source should come from a person who has had direct supervisory experience with you.

Special reference requirements for Social Work programs: Please ensure that one reference is from an individual who can assess you in your professional capacity; the other reference should be academic.

Upon submission of your application, your referees will be sent an email containing the reference request and the appropriate link to the required documents. Reference requirements are individual to each graduate program and the requirements are specified in the link contained in the email. The email will also contain a link where referees are able to upload the required document(s). You will be able to view the status of your reference submissions in your student centre and both you and your referee will receive a confirmation email when the referee request has been completed.

It is recognized that references are supplied in confidence.

References are **valid for one year** from the date on the reference.

No program referees are required. Please click on the continue button.
