Graduate Programs in Education

April 14, 2026

I would like to acknowledge and pay tribute to the traditional territories of the peoples of Treaty 7, which include the Blackfoot Confederacy (comprised of the Siksika, the Piikani, and the Kainai First Nations), the Tsuut'ina First Nation, and the Stoney Nakoda (including Chiniki, Bearspaw, and Goodstoney First Nations). The city of Calgary is also home to the Métis Nation within Alberta (including Nose Hill Métis District 5 and Elbow Métis District 6).

How do I register in my program?

Annual Registration

Annual registration is **required for all students** and must be completed by the registration deadline in your anniversary term (i.e. the term in which you first started your program).

Initializing your Registration

1. Log into your Student Centre (my.ucalgary.ca)
2. Click the prompt under 'Enrolled Courses'
3. Begin Initialization: you will need to confirm your email address, phone number, mailing address and registration status

The screenshot shows the Faculty of Graduate Studies website. At the top, there is a search bar and a navigation menu with categories like 'Future Students', 'Current Students', 'Awards and Funding', 'Professional Development', 'Supervisory Resources', 'About Us', and 'Contacts'. A large red banner features the text 'Annual Registration' with a yellow arrow pointing to a button labeled 'Academic Calendar: Registration'. Below this, there are two columns of information. The left column, 'Initialize your registration', includes instructions to click a prompt in the Student Centre and a list of items to confirm: email address, phone number, mailing address, and registration status. It also has buttons for 'Click for detailed instructions' and 'Go to your Student Centre'. The right column, 'Registration status', explains that thesis-based students need approval for part-time status and course-based students need approval to change status. It includes a 'Learn more' button. At the bottom, there are sections for 'If you miss your fee payment deadline' (with sub-sections for 'Late registration fee' and 'Involuntary withdrawal') and 'Related policies' (with links for 'Student status policy', 'Readmission policy', and 'Academic Calendar'). A large yellow arrow on the left side of the page points towards the 'Initialize your registration' section.

Which courses do I register for?

GPE Website

- Information specific to your program and the courses you need to register in will be emailed to you by your Graduate Program Administrator. Unless otherwise posted.
- Program pages will include program details, program/course schedule, course descriptions, contact information
- Note about course timetabling

How do I register in my course?

FGS Website

- Available on the Graduate Studies website
- Look for Course Registration Guides

Considering taking a course outside of your program

- Consult with Supervisor, as permission must be granted
- Course Registration form must be completed and submitted for approval
- If course is relevant to program, extra course fees will not be applied
- If course is extra to program, student will be assessed a course fee, which is in addition to the program tuition.

The screenshot shows the Faculty of Graduate Studies website. The navigation menu includes 'Future Students', 'Current Students', 'Awards and Funding', 'Professional Development', 'Supervisory Resources', 'About Us', and 'Contacts'. The 'Current Students' menu is expanded, showing 'Registration' as the selected option. The 'REGISTRATION OVERVIEW' section lists various registration topics: Annual Registration, Concurrent Registration, Confirmation of registration, Course registration, Registration status, and Studying at another university. A search bar is visible at the top right.
