An appropriate letter of recommendation is one written by an independent individual who can provide an assessment of your background and capabilities with respect to the prospective program. Letters from friends, family members, colleagues, people currently registered in a graduate degree program, or general reference letters that are not written in support of your application to the particular graduate program **are not acceptable**. Special reference requirements for Social Work programs: Please ensure that one reference is from an individual who can assess you in your professional capacity; the other reference should be academic.

Upon submission of your application, your referees will be sent an email containing the reference request and the appropriate link to the required documents. Reference requirements are individual to each graduate program and the requirements are specified in the link contained in the email. The email will also contain a link where referees are able to upload the required document(s).
